PURPOSE

To teach boys and girls sound tennis techniques and help them to play as well as their ability will allow.

ACADEMY PROGRAM—

June 30 - August 7, 1980

A personalized program has been designed for boys and girls of all levels of ability (Beginner through Advanced) including ages 7 - 17. A quality instructional program is being provided in order that junior participants may receive professional tennis instruction at an inexpensive rate. Each academy member will have his or her current level of play analyzed and a personalized plan for practice and improvement will be given to that member.

AWARDS

The Academy has designed a most unique and elaborate awards system for all academy members. Throughout the summer participants may earn ribbons and certificates as they progress through the instructional program. The instructional program is goals oriented and objective in that each participant has the opportunity of developing to the fullest his or her tennis skills.

COST

$29.00 for five weeks. Participants will receive three hours of instruction each week for a total of fifteen hours of professionally-directed instruction. A scholarship system has been established for needy students.

PROGRAM SCHEDULE

Four separate instructional groups will be formed.
